

**COUNTRY Financial® and the Minneapolis Farmers Market**  
invite area high school students to participate in our...

# Seventh Annual Minneapolis Farmers Market Reusable Bag Design Contest

◀ 2017 winning design by Jessica Lundquist, Anoka Hennepin Regional High School

This year's theme is **"You've got a lot growing for you"**, so think green with your design, and remember to add **"2018 Minneapolis Farmers Market"** to your artwork.

- We'll be giving away a \$2,000 scholarship to the student with the grand prize winning design, a \$1000 scholarship to the 2nd runner up, and a \$500 scholarship to the 3rd runner up.
- The winning design will appear on thousands of reusable canvas bags to be distributed at Chicago City Market locations!

**Entries must be submitted by April 23, 2018, so see your art teacher or principal for official rules and an entry form today. And be sure to visit [COUNTRYfarmersmarkets.com](http://COUNTRYfarmersmarkets.com) to see last year's winning designs.**

**We'll see the top three finalists at the unveiling of the winning design on May 19, 2018. Hope to see you there!**
