

COUNTRY Financial® and the Minneapolis Farmers Market invite area high school students to participate in our...

Eighth Annual Minneapolis Farmers Market Reusable Bag Design Contest

< 2018 winning design by Abarna Anandaraj – Blaine High School

2018 MINNEAPOLIS
FARMERS
MARKET

This year's theme is **"Growing a Green Future"**, so think green with your design, and remember to add **"2019 Minneapolis Farmers Market"** to your artwork.

- We'll be giving away a \$2,000 scholarship to the student with the grand prize winning design, a \$1000 scholarship to the 2nd runner up, and a \$500 scholarship to the 3rd runner up.
- The winning design will appear on thousands of reusable canvas bags to be distributed at the Minneapolis Farmers Market!

Entries must be submitted by April 12, 2019, so see your art teacher or principal for official rules and an entry form today. And be sure to visit COUNTRYfarmersmarkets.com to see last year's winning designs.

We'll see the top three finalists at the unveiling of the winning design on May 18, 2019. Hope to see you there!
