

Donation Request

Want to support your community?

Read the info below and fill out this form to get started!

We're proud to support the communities we live and work in through financial education, being a good community partner and supporting the charitable causes that are important to our employees.

Financial education and literacy efforts are our main focus and will be given highest priority in the selection process.

All community groups requesting a financial contribution must hold 501 C3 status.

We will not make contributions that relate to politics, religion, a benefit for an individual, team sponsorships or for an organization's administrative/operational expenses.

Please send this completed form to Community@COUNTRYFinancial.com. All information below must be included for the request to be considered. Contribution requests require at least 14 days for review.

Date of request:
