

Money in other countries

Different countries have different currency, which they use as a form of exchange. With your parent or guardian discover the currency of other countries.

Write in the name of the currency used by each of the countries below.

- United States**
- Mexico**
- United Kingdom**
- France**
- China**
- Spain**
- Canada**

Different currencies use different symbols for representation. Can you match the currency symbol to its proper name?
